

# VertexCore Technologies — Employee Handbook

Sample fictional policy document for a company-document RAG chatbot project. This document is for software-development practice only and is not a real company policy.

## 1. Company Overview

VertexCore Technologies is a fictional software company created for RAG and chatbot practice. It provides software products and consulting services.

Normal business hours are Monday through Friday, 9:00 AM to 5:00 PM local time. Employees may work remotely when permitted by their manager and team policy.

## 2. Working Hours and Attendance

Employees are expected to be available during their team's core collaboration hours of 10:00 AM to 3:00 PM.

Employees should notify their manager as soon as possible when they will be late or absent.

Flexible schedules may be approved by a manager when business needs and team coverage allow.

## 3. Paid Time Off

Full-time employees receive 20 vacation days per calendar year. Vacation requests should normally be submitted at least two weeks in advance.

Employees also receive 10 company-paid holidays each year. The holiday calendar is published by Human Resources.

## 4. Remote Work

Eligible employees may work remotely up to three days per week with manager approval. Employees must maintain a suitable workspace and protect company information while working remotely.

## 5. Information Security

Employees must use company-approved systems for company information, protect passwords, enable multi-factor authentication where required, and report suspected security incidents immediately.

Confidential company information must not be copied to personal cloud storage or shared with unauthorized individuals.

## 6. Questions

Questions about employee benefits, leave, payroll, or workplace policies should be directed to Human Resources.
